What does solidarity mean to you?

Solidarity means working together for racial and gender justice. They are inextricably tied - one cannot exist without the other.

Commitment to each other and our values. **Not giving up the fight!**

Women working together to make a difference in the world.

Solidarity is the strength of all to work towards the goal.

A desire to be conscientious of other struggles and desire to alleviate them.

Embracing our diversity. Coming together in a powerful and mighty way.

Working together to support all life, making certain we hear all views and have an opportunity to share ours.

Working together for a common goal. Solidarity = WOMEN'S WAY

Strength and unity amongst like minded individuals.

Bringing differences together to achieve one goal. **Showing up and showing support.**

Advocating and speaking out.

Standing in a united front on an issue or concern.

Courage to face today's challenges. Standing shoulder to shoulder.
